

LV PANELS MANUFACTURING

RAAN-Romag Termo – Thermal Power Plant Drobeta

Motor Control Centers in draw-out execution, 3200 A

- Air Compressors Station

- Dense Ash Slurry Station

RAAN – Thermal Power Plant Drobeta
MCCs 3200 Amps, withdrawable drawers

Panel for Compressed Air Station (Elsteel panel system, with Eaton components)

Section1

3 Panels for Dense Ash Slurry System (Elsteel panel system, with Eaton components)

Section 2

3 Panels for Dense Ash Slurry System (Elsteel panel system, with Eaton components)

RAAN – Thermal Power Plant Drobeta
MCCs 3200 Amps, withdrawable drawers

Draw-out technology (Elsteel panel system, with Eaton components)

Draw-out technology (Elsteel panel system, with Eaton components)
